

meet belle®

belle is a small, easy to use, lightweight emergency alert pendant that allows you to get help at home or away anywhere in the US.

Here's how she works...

speaker

It's easy to hear the specialist answer your call with this high quality speaker.

call button

Just press one button to speak with a specialist and get help. It's that simple.

battery light

A small red battery light will notify you that Belle is fully charged or is ready to be charged.

call light

After you press your call button, a small blue light will alert you that your call is being relayed to a specialist.

actual size

microphone

A powerful microphone will allow you to speak with a kind, courteous specialist. They can send emergency help or contact a loved one to assist you.
